I'm giving the book 4 out of 5 stars because i think that the new colorful pictures distract from the code and make absorption of the material more difficult. I also own the 2005 Illustrated Guide by Miller and I find the material in it easier to absorb because of the lack of color. Of course this could be a matter of taste but i think the publisher needs to go back to the same drawings in their next book. Illustrated Guide to the NEC (Illustrated Guide to the ... -
